

Baby's Daddy

Go out, and find the father
 So all of your kids can be fed
 'cause if it's upto me, you know I'd help ya out
 but ya see, there is a shade of doubt - oh-oh-oh
 Go out, point to another
 To someone you can rely
 There's a brother here
 And a brother there
 But both have an alibi - so-oh-oh

Chorus 1

I ain't ya baby's daddy
 Just 'cause you want me to be
 I ain't the baby's daddy
 So stop harass-ing me
 I ain't ya baby's daddy
 Just check the DNA
 I ain't the baby's daddy
 Don'tcha, don'tcha, don'tcha take my pay

If you, ever find the father
 It'll be your lucky day
 But think about, all the ones you blamed
 Just to give your baby a name - oh-oh-oh
 If you, just think about it
 Search deep inside your soul
 'cause all the drama and the pain
 is rapidly getting old - so-oh-oh

Chorus 2

I ain't ya baby's daddy
 Just 'cause you want me to be
 I ain't the baby's daddy
 So stop harass-ing me
 I ain't ya baby's daddy
 Just check the DNA
 I ain't the baby's daddy
 Don'tcha, don'tcha try to take my pay

[Bridge]

I ain't ya baby's daddy
 Just 'cause you want me to be
 I ain't the baby's daddy
 So stop harass-ing me
 I ain't ya baby's daddy
 Just check the DNA
 I ain't the baby's daddy
 Don'tcha, don'tcha try to take my pay

I ain't ya baby's daddy
 But you want let me be
 I ain't the baby's daddy
 Guess you're to blind to see
 I ain't ya baby's daddy
 Just check the DNA
 I ain't the baby's daddy
 It don't even look like me
 I ain't, I ain't the baby's daddy, oh-no.
