BABY TAKE ALL OF ME (aka Jodi Watley)

I, am
 In love with you, oo-oo, oo-oo
 I, want
 To give you love that's true-oo-oo.
 I, am
 the one for you, oo-oo, oo-oo
 let, me
 show what I-I can do.

If you want love, It's here for you
 If you need love, I can give it to you
 If you want love, Take all that I have
 Oh baby just take all of me

Baby take all of me
 My love is free
 Baby take all of me
 We will be happy
 Baby take all of me
 Baby take all of me
 Oh baby just take all of me.

I, am
 The love for you, oo-oo, oo-oo
 No one
 Can do what I can do, oo-oo.
 I know
 You've heard it all be-fo-o-ore
 If you want love
 Baby just take all of me.

If you want love, It's here for you
 If you need love, I can give it to you
 If you want love, Take all that I have
 Oh baby just take all of me

Baby take all of me
 My love is free
 Baby take all of me
 We will be happy
 Baby take all of me
 Baby take all of me
 Oh baby just take all of me.
