

I Love My Dog

I love my dog
He is my friend
I can trust him more than others
'cause I know where he's been.
I love my dog
He protects me
From people who will hurt me
My dog like family.

Oh-oh-oh, I love dog
Oh-oh-oh, I love dog

I love my dog
My dog, my pal, friend
I love my dog
My dog, I can't pretend

Oh-oh-oh, I love dog
Oh-oh-oh, I love dog

I walk my dog
to get to get fresh air
I hold him very tight
So he knows that I'm there.
I walk my dog
He is the best
I'm thankful that I have him
Lord I feel that I am blessed

Oh-oh-oh, I love dog
Oh-oh-oh, I love dog

I love my dog
My dog, my pal, friend
I love my dog
My dog, I can't pretend

Oh-oh-oh, I love dog
Oh-oh-oh, I love dog

I pet my dog
to show I care
When I hold him in my arms
People smile and stare.
I pet my dog
And shake his hand
He barks to let me know that I am
his biggest fan.

Oh-oh-oh, I love dog
Oh-oh-oh, I love dog

I love my dog
My dog, my pal, friend
I love my dog
My dog, I can't pretend

Oh-oh-oh, I love dog
Oh-oh-oh, I love dog

I love my dog.
